INT. LIVING ROOM - DAY

Inside a living room of an apartment building, PETER(9) and SARAH(11) are fighting on a sofa.

PETER

Scoot over.

SARAH

Stop it.

PETER

You're in my space.

SARAH

Ugh!

The granddad appears from another room.

GRANDDAD

Hey! You guys just got here. You two are gonna have a lot more fun this weekend if you learn to get along. You are gonna turn your brains to mush.

00:01:00

Both the children are busy playing games on their phones.

SARAH

Well, there is nothing to do and I am bored.

GRANDDAD

How about reading a book?

PETER

No thanks.

The granddad grabs a book from the fireplace and take the children's phones.
